

Go Integrator and Click to Call Set-up

Prerequisite: you will need your application username or password. If you are not sure what this is, you can ask Globe2 to reset this for you.

Instructions:

1. First, please download and install/run the Go Integrator Cara application from the link below:

https://downloads.yourwhc.co.uk/dms/_goIntegrator/Carainstaller.exe

2. After installing the application, it will open and prompt you for your username and password. Please enter your username and password and click log in.
3. Next in Chrome, visit the following link and install the extension. With this installed, you are able to click on the phone numbers and have it dial out on your phone.
