

Webex Download Instructions & Guides

Webex is a softphone application that will allow you to make or receive calls using an application on your mobile or computer using your work number.

Downloading the application:

First, you will need to download the relevant application for your device using the link below:

<https://bwks-uap.webex.com/download?partner-org-uuid=5343abe8-231b-4094-b7db-c19df2b6a3f6&config-set-uuid=72f95b9d-13a1-4384-9abd-7d7edddc4867&show-message=false>

When you first open the application, please click sign in. You will then be prompted to enter your username and password. Please enter the details supplied by Globe2.
